Re: February 28, 2019 Meeting

A meeting of the Social Services Transportation Advisory Council (SSTAC) will be held on Thursday February 28, 2019 at 10:00 a.m. in the Coffee Room at Caltrans District 9 office located at 500 S. Main Street in Bishop.

The SSTAC is an advisory committee to the Local Transportation Commission (LTC) addressing all transportation issues, including the transit needs of transit dependent and transit disadvantaged persons. The SSTAC assists the LTC in identifying unmet transit needs.

A copy of the meeting notes from last year's SSTAC meeting is enclosed for your reference.

Ideas discussed at the SSTAC meeting will be presented during the Inyo County Local Transportation Commission Unmet Transit Needs Hearings in April and May. The SSTAC meeting is the first step in determining allocation of transit funds for the upcoming 2019/2020 fiscal year. Your input is important.

Please don't hesitate to contact me at (760) 878-0207 or at jpinckney@inyocounty.us if you have any questions regarding this meeting. More information on the unmet transit needs hearing process can be found at <http://www.inyoltc.org/unmet.html>.

Thank you for participating.
